Benefits of a home service plan

- A comprehensive plan for your covered systems and appliances regardless of age, make or model.*
- If it can no longer be repaired, AHS will replace it.*
- AHS is there for you, taking your service requests 24 hours a day, seven days a week.
- Relax knowing that a qualified, local service technician will come to your home.
- Easy enrollment.
- Several payment options available.

* Not all home systems and appliances are covered. For a copy of the contract that details specific coverages, exclusions and limitations, please call your local Farmers agent. A trade service call fee applies to the initial visit by a service technician for each covered trade. Additional charges may apply to some repairs and replacements. AHS may provide cash back in lieu of repair or replacement in the amount of AHS's actual cost to repair or replace such item, which at times may be less than retail pricing. Systems and appliances: a) will be replaced with units having comparable features, not necessarily the same dimension, color, and/or brand; b) must be in good working condition on the effective date of contract; c) designated by the manufacturer as commercial are not covered. Improper maintenance of any covered system or appliance may result in denial of coverage for lack of maintenance. Refer to contract for state specific cancellation provisions.

Offer valid for new AHS customers only. Not valid in conjunction with real estate transactions or current AHS contract renewal. Void where prohibited by law. Covers single-family homes under 5,000 square feet.

The Home Service Protection Plan is issued and administered by American Home Shield Corporation ("AHS") and American Home Shield of Texas, Inc. AHS is solely responsible for the program. Farmers is not an affiliate of AHS and is not responsible or liable in connection with the Home Service Protection Plan from AHS or the services provided thereunder.

Help save your budget from costly repairs and replacements

For customers of Farmers®

Texas

Provided by American Home Shield

FARMERS®

Gets you back where you belong.®

Convenient, dependable service when you need it most

Now your Farmers® agent can help you with the hassle and expense of home system and appliance breakdowns. Farmers is now offering Home Service Protection Plans from American Home Shield® (AHS) to help save your budget from costly repairs and replacements.

With each passing year, major home systems and appliances are likely to need repair or replacement more frequently. And breakdowns often happen at the most unexpected time. When you're covered by an AHS home service plan, just call the moment a covered item breaks down due to normal wear-and-tear and leave the work of finding the right service technician to AHS.

AHS service technicians are local and pre-screened.

No more searching the phone book for reputable service technicians. Simply call AHS and *a service technician will contact you* during normal business hours to schedule a convenient appointment.

AHS is available around the clock to handle the most important call — yours!

Qualified AHS customer service representatives will take your request for service 24 hours a day, seven days a week, toll-free at (888) 247-4777.

There are no huge out-of-pocket expenses for covered repairs or replacements. You simply pay the \$55 trade service call fee for each covered breakdown.* Best of all, there is no limit to the number of covered repairs it will pay for.

When your household systems and appliances break down who will you call? How will you pay for it?

AHS, the leading home service plan provider, with more than 30 years of experience, can help solve your unexpected household appliance and system breakdowns.

Because you're a valued customer of Farmers, you now have the opportunity to enroll in a Home Service Protection Plan provided by AHS that will help protect you against normal wear-and-tear breakdowns of your home's major systems and appliances, regardless of their age, make or model.*

AHS offers you a trustworthy solution to the problem of finding a reputable service technician who will show up on time and make the proper repairs.
