

TEXAS HOMEOWNERS AMENDATORY ENDORSEMENT  
(For use with Form HO-A)

TX140  
2nd Edition

*The following endorsement changes your policy. Please read this document carefully and keep it with your policy.*

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM AS SET FORTH BELOW IN THIS ENDORSEMENT BY ADDING **DEFINITION 10** AND **PARAGRAPH 8** OF **SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE** AND BY DELETING AND REPLACING THE FOLLOWING PROVISIONS:

**SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE, PARAGRAPH 2., LOSS OF USE;**

**SECTION I - PERILS INSURED AGAINST;**

**SECTION I - EXCLUSIONS; AND**

**SECTION II - EXCLUSIONS**

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM BY ADDING THE FOLLOWING DEFINITION 10 UNDER **DEFINITIONS**:

10. **Remediation** means to treat, contain, remove, or dispose of mold, fungi or other microbes beyond that which is required to repair or replace the covered property physically damaged by water or steam. **Remediation** includes any testing to detect, measure or evaluate mold, fungi, or other microbes and any decontamination of the **residence premises** or property.

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM BY ADDING PARAGRAPH 8 TO **SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE:**

**SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE**

**8. MOLD, FUNGI, BACTERIA OR OTHER MICROBES.**

- a. Mold, Fungi, Bacteria or Other Microbes. We will pay the necessary and reasonable costs to **remediate**, repair, or replace covered property described in Coverage A (Dwelling) and/or Coverage B (Personal Property) for actual physical damage caused by mold, fungi, bacteria or other microbes that results directly from a water damage loss caused by one or more of the following Perils Insured Against, unless the loss is excluded in **SECTION I - EXCLUSIONS**: 1. Fire and Lightning; 2. Sudden and Accidental Damage from Smoke; 3. Windstorm, Hurricane and Hail; 4. Explosion; 5. Aircraft and Vehicles; 6. Vandalism and Malicious Mischief; 7. Riot and Civil Commotion; and 8. Theft.

The maximum limit of liability for this coverage is shown on the declarations page. This is not additional insurance and does not increase the limit of liability for Coverage A (Dwelling) and/or Coverage B (Personal Property).

- b. Loss of Use. If a loss caused by mold, fungi, bacteria or other microbes covered under subsection a. above makes the **residence premises** wholly or partially untenable, we cover:
1. additional living expense, meaning any necessary and reasonable increase in living expense you incur so that your household can maintain its normal standard of living; or
  2. fair rental value, meaning the fair rental value of that part of the **residence premises** usually rented to others by you, less any expenses that do not continue.

The total limit of liability for all loss of use is included in the maximum limit of liability for this extension of coverage as shown on the declarations page. The deductible clause does not apply to loss of use coverage.

Payment will be for the reasonable time required to **remediate**, repair or replace the damaged property. If you permanently relocate, payment will be for the reasonable time required for your household to become settled.

The periods of time for loss of use are not limited by the expiration of this policy.

- c. Loss Settlement. Our limit of liability for mold, fungi, bacteria or other microbial losses covered under subsections a. and b. above is the most we will pay for the sum of all losses that occur during the policy period stated on the declarations page.

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM BY DELETING **SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE PARAGRAPH 2., LOSS OF USE**, IN ITS ENTIRETY AND BY REPLACING IT WITH THE FOLLOWING:

**SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE**

2. **LOSS OF USE.** If a loss caused by a peril under **SECTION I - PERILS INSURED AGAINST**, other than a loss caused by Peril 9, Sudden and Accidental Discharge, Eruption, Overflow or Release of Water or Steam, makes the **residence premises** wholly or partially untenantable, we cover:

- a. additional living expense, meaning reimbursement of any necessary and reasonable increase in living expense you incur so that your household can maintain its normal standard of living; or
- b. fair rental value, meaning the fair rental value of that part of the **residence premises** usually rented to others by you, less any expenses that do not continue.

The total limit of liability for all loss of use under this extension of coverage is 10% of the Coverage A (Dwelling) limit of liability. This is additional insurance and does not reduce the Coverage A (Dwelling) limit of liability.

The deductible clause does not apply to loss of use coverage.

Payment will be for the reasonable time required to repair or replace the damaged property. If you permanently relocate, payment will be for the reasonable time required for your household to become settled.

The periods of time for loss of use are not limited by expiration of this policy.

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM BY DELETING **SECTION I - PERILS INSURED AGAINST** IN ITS ENTIRETY AND REPLACING IT WITH THE FOLLOWING PROVISION:

**SECTION I - PERILS INSURED AGAINST  
COVERAGE A (DWELLING) AND  
COVERAGE B (PERSONAL PROPERTY)**

We insure against accidental direct physical loss to the property described in **COVERAGE A (DWELLING)** and **COVERAGE B (PERSONAL PROPERTY)** caused by a peril listed below, unless the loss is excluded in **SECTION I - EXCLUSIONS**:

1. **Fire and Lighting.**
2. **Sudden and Accidental Damage from Smoke.**

This peril does not cover loss caused by smog or by smoke from industrial or agricultural operations.

3. **Windstorm, Hurricane, and Hail.**

This peril does not cover:

- a. loss to the following:

- (1) cloth awnings, greenhouses and their contents, buildings or structures located wholly or partially over water and their contents; or

(2) radio and television towers, outside satellite dishes, masts and antennas, including lead-in wiring, wind chargers and windmills.

b. loss caused by rain, snow, sand or dust, whether or not driven by wind, unless the direct force of wind or hail makes an opening in the roof or wall and the rain, snow, sand or dust enters through this opening and causes the damage.

4. **Explosion.**

5. **Aircraft and Vehicles.**

Loss must result from actual physical contact of a vehicle with covered property or with the building containing the covered property.

6. **Vandalism and Malicious Mischief.**

7. **Riot and Civil Commotion.**

8. **Theft**, including attempted theft and loss of property from a known place when it is likely that the property has been stolen.

This peril does not cover:

a. personal property while away from the **residence premises** at any other residence owned by, rented to or occupied by an **insured**, except while an **insured** is temporarily living there.

b. personal property while away from the **residence premises** and unattended in or on any motor vehicle or trailer, other than a public conveyance, unless all its doors, windows and other openings are closed and locked and there are visible marks of forcible entry.

Property is not unattended when the **insured** has entrusted the keys of the vehicle to a custodian.

c. building materials and supplies not on the **residence premises**.

9. **Sudden and Accidental Discharge, Eruption, Overflow or Release of Water or Steam from:**

a. within any portion of any plumbing system that is above the surface of the ground;

b. within any portion of any heating or air conditioning system that is above the surface of the ground;

c. within any portion of an automatic fire protection system that is above the surface of the ground; or

d. within any household appliance.

This peril does not cover:

(1) any loss caused by constant, repeated or intermittent discharge, seepage, leakage, eruption, overflow or release of water or steam from any source;

(2) any loss to the system or appliance from which the water or steam was discharged, erupted, overflowed or was released. However, if the sudden and accidental discharge, eruption, overflow or release was caused by the freezing of any portion of a plumbing system that is above the surface of the ground, or of any heating or air conditioning system that is above the surface of the ground, or of any automatic fire protection system that is above the surface of the ground, or of any household appliance, we will cover the loss to these systems or appliances caused by freezing if:

(a) the dwelling is occupied, not vacant and not being constructed; or

(b) the dwelling is vacant, unoccupied or being constructed, but you used reasonable care to: (i) maintain heat in the building; or (ii) shut off the water supply and drain the system and appliance of water while the **residence premises** were vacant, unoccupied or being constructed; or

(3) any loss caused by or resulting from mold, fungi, bacteria or other microbes, or wet or dry rot including:

(a) the cost for **remediation** for mold, fungi, bacteria or other microbes, or wet or dry rot; or

(b) any increase in expenses for Loss of Use and/or Debris Removal due to **remediation** for mold, fungi, bacteria or other microbes, wet or dry rot.

A loss from this Peril includes the reasonable cost of tearing out and replacing that part of the dwelling structure, excluding the slab or the foundation, actually necessary to repair or replace the system or appliance from which the water or steam was discharged, erupted, overflowed or was released.

Our total **LIMIT OF LIABILITY** is \$ @@@@ for any and all loss(es) caused by Peril 9 during the policy period stated on the declarations page, whether for Coverage A (Dwelling), Coverage B (Personal Property), additional living expense or fair rental value, or any combination thereof. This total limit of liability is the most we will pay for any and all loss(es) caused by Peril 9 regardless of the number of losses that occur during the policy period stated on the declarations page. Each payment for a loss for this peril during the policy period will reduce this limit of liability by the amount of each such payment for the remainder of the policy period.

This is not additional insurance and does not increase the **COVERAGE A (DWELLING) or COVERAGE B (PERSONAL PROPERTY)** limit of liability.

10. **Fall of trees or limbs, including felling, topping or trimming.**
11. **Objects falling from the weight of ice, snow or sleet.**
12. **Collapse of building or any part of the building.**

We do not cover loss either consisting of, or caused directly or indirectly by earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils

13. **Breakage of glass which is part of the building, including glass in storm doors and storm windows.**

THIS ENDORSEMENT AMENDS THE HO-A POLICY FORM BY DELETING **SECTION I - EXCLUSIONS** IN ITS ENTIRETY AND BY REPLACING IT WITH THE FOLLOWING PROVISIONS:

#### **SECTION I - EXCLUSIONS**

We do not cover property described under Coverage A (Dwelling) or Coverage B (Personal Property) for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently, or in any sequence to the loss.

1. **Loss to Electrical Devices.**

We do not cover loss to electrical devices or wiring caused by electricity other than lightning. We do cover resulting loss caused by fire, smoke, explosion, theft or attempted theft, or any act or attempted act of stealing.

2. **Water Damage.**

We do not cover water damage, meaning:

- a. flood, surface water, waves, tidal water or tidal waves, overflow of streams or other bodies of water or spray from any of these whether or not driven by wind;

We do cover resulting loss caused by fire, smoke, explosion, theft or attempted theft, or any act or attempted act of stealing;

- b. water or waterborne material which backs up through sewers or drains or which leaks or overflows from sewers, drain lines, drains, a sump, a sump pump, or similar equipment designed to drain water away from the residence premises;
- c. water below the surface of the ground, including water which exerts pressure on or seeps or leaks from within a below ground wastewater or plumbing system, or water that exerts pressure on, or that seeps or leaks through a building, sidewalk, driveway, foundation, swimming pool, spa or other structure;

- d. constant, repeated or intermittent discharge, seepage, leakage, collection, overflow or release of water or steam from any source, including from, within or around any pipe joint, plumbing fixture, shower stall, shower bath, bathtub, bathtub installation, drain line, drain pan, air conditioning overflow pan, duct work, or appliance, including constant, repeated or intermittent discharge, seepage, leakage, overflow or release of water or steam around or through walls, ceilings or floors from any source.
- e. dampness of atmosphere or condensation;
- f. freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:
  - (1) fence, pavement, patio or swimming pool or spa;
  - (2) slab or foundation, including foundation piers or foundation beams, retaining wall, or bulkhead; or
  - (3) pier, wharf or dock; or
- g. sudden and accidental discharge, eruption, overflow or release of water or steam:
  - (1) from within any portion of a plumbing or automatic fire protective sprinkler system that is either:
    - (a) below the surface of the ground, or
    - (b) within or below the slab or foundation; or
  - (2) from within any portion of a heating or air conditioning system that is either:
    - (a) below the surface of the ground; or
    - (b) within or below the slab or foundation.

### 3. **Governmental Action.**

We do not cover loss caused by the destruction of property by order of governmental authority.

But we do cover loss caused by acts of destruction ordered by governmental authority taken at the time of a fire to prevent its spread, if the fire would be covered under this policy.

### 4. **Building Laws.**

We do not cover loss caused by or resulting from the enforcement of any ordinance or law regulating the construction, repair or demolition of a building or structure.

However, this exclusion is modified to provide coverage only to the extent described under Perils Insured Against and only to the extent described below in subparts a. through d. of this exclusion.

#### a. Coverage Provided.

You may use up to \$5,000 (at no additional premium) for the increased costs that you incur due to the enforcement of any ordinance or law, which requires or regulates:

- (1) the construction, demolition or repair of that part of a covered building or other structure damaged by a Peril Insured Against;
- (2) the demolition and reconstruction of the undamaged part of a covered building or other structure, when that building or other structure must be totally demolished because of damage by a Peril Insured Against to another part of that covered building or other structure; or
- (3) the remodeling, removal or replacement of the portion of the undamaged part of a covered building or other structure necessary to complete the remodeling, repair or replacement of that part of the covered building or other structure damaged by a Peril Insured Against.

You may use all or part of this coverage to pay for the increased costs you incur to remove debris resulting from the construction, repair or replacement of property as stated in a. above.

This is additional insurance and does not reduce the Coverage A (Dwelling) limit of liability.

#### b. Building Ordinance or Law Coverage Limitations.

We will not pay for the increased cost of construction;

- (1) if the building or structure is not rebuilt or repaired;
- (2) if the rebuilt or repaired building or structure is not intended for the same type occupancy as the current building or structure;

- (3) until the building or structure is actually repaired or rebuilt at the same premises; or
- (4) unless the rebuilding or repairs are made as soon as reasonably possible after the loss or damage, not to exceed 365 days after loss unless you have requested in writing that this time limit be extended for an additional 180 days.

c. We do not cover:

- (1) the loss in value to any covered building or other structure due to the requirements of any ordinance or law; or
- (2) the costs to comply with any ordinance or law which requires any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of, pollutants on any covered building or other structure.

Pollutants mean any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes material to be recycled, reconditioned or reclaimed.

- d. If the insured property is located in an area which is eligible for coverage through the Texas Windstorm Insurance Association, the coverage described above, also applies to the increased cost you incur due to the repair, replacement or demolition required for the dwelling to comply with the building specifications contained in the Texas Windstorm Insurance Association's plan of operation.

5. **War Damage.**

We do not cover loss resulting directly or indirectly from war. This includes undeclared war, civil war, insurrection, rebellion, revolution, warlike act by military personnel, destruction or seizure or use for military purpose, and any consequence of these. Discharge of a nuclear weapon will be deemed a warlike act even if accidental.

6. **Mold, Fungi, Bacteria or Other Microbes, or Wet or Dry Rot.**

a. Except as provided in **SECTION I - PROPERTY COVERAGE, EXTENSIONS OF COVERAGE**, paragraph 8, we do not cover loss caused by or resulting from mold, fungi, bacteria or other microbes, or wet or dry rot, including:

- (1) the cost for **remediation** for mold, fungi, bacteria or other microbes, or wet or dry rot; or
- (2) any increase in expenses for Loss of Use and/or Debris removal due to **remediation** for mold, fungi, bacteria or other microbes, or wet or dry rot.

b. The physical presence of mold, fungi, bacteria or other microbes, or wet or dry rot on that portion of covered property which must otherwise be repaired or replaced because of direct physical loss caused by water or steam damage covered under this policy shall not result in the exclusion of such water or steam damage loss if it is otherwise covered under this policy.

7. **Nuclear Damage.**

We do not cover loss resulting directly or indirectly from nuclear reaction, radiation or radioactive contamination, all whether controlled or uncontrolled or however caused. We cover direct loss by fire resulting from nuclear reaction, radiation or radioactive contamination.

8. **Settling, Cracking, Bulging, Shrinkage, or Expansion.**

We do not cover loss consisting of, caused by, contributed to, aggravated by or resulting from settling, cracking, bulging, shrinkage, or expansion of foundations, foundation piers, foundation beams, slabs, walls, floors, ceilings, roof structures, walks, drives, curbs, fences, retaining walls, bulkheads, spas, or swimming pools. Acts or omissions of persons can cause, contribute to or aggravate settling, cracking, bulging, shrinkage, or expansion of foundations, foundation piers, foundation beams, slabs, walls, floors, ceilings, roof structures, walks, drives, curbs, fences, retaining walls, bulkheads, spas or swimming pools.

Also, settling, cracking, bulging, shrinkage, or expansion of foundations, foundation piers, foundation beams, slabs, walls, floors, ceilings, roof structures, walks, drives, curbs, fences, retaining walls, bulkheads, spas or swimming pools can occur naturally to cause a loss or combine with acts or omissions of persons to cause loss. Whenever settling, cracking, bulging, shrinkage, or expansion of foundations, foundation piers, foundation beams, slabs, walls, floors, ceilings, roof structures, walks, drives, curbs, fences, retaining walls, bulkheads, spas or swimming pools occurs, the loss is always excluded under this policy, however caused.

**9. Outdoor Equipment, Fences, Driveways, Walks, Lawns, Trees, Shrubs and Plants or Retaining Walls and Bulkheads.**

- a. We do not cover loss to driveways, walks, lawns, trees, shrubs and plants or retaining walls and bulkheads not a part of the building. This subpart only applies to Perils 2, 3, 9, 10, 11, 12 and 13.
- b. We do not cover loss to outdoor equipment or fences. This subpart only applies to Perils 2, 9, 10, 11, 12 and 13.

**10. Earth Movement.**

We do not cover loss either consisting of, contributed to, aggravated by, resulting from or caused directly or indirectly by earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils.

Acts or omissions of persons can cause, contribute to, or aggravate earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils. Also, earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils can occur naturally to cause a loss or combine with acts or omissions or persons to cause loss. Whenever earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils occurs, the earthquake, earth movement, landslide, subsidence or earth sinking, or the rising, shifting, expansion, contraction, settling or movement of surface or subsurface soils, and any resulting loss, is always excluded under this policy, however caused.

**11. Wear and Tear, Inherent Vice, Rust, Deterioration, Decay, Rats, Mice, Vermin, Termites, Moths or Other Insects, Contamination, Neglect, Improper Maintenance, Failure to Make Proper Repairs, Failure to Make Timely Repairs.**

We do not cover loss caused by:

- a. wear and tear, inherent vice, rust, deterioration, decay or loss caused by any quality in property that causes it to damage or destroy itself;

This subpart a. does not apply to Peril 9;

- b. rats, mice, vermin, termites, moths or other insects;
- c. contamination; or
- d. neglect, improper maintenance, the failure to make proper repairs or the failure to make timely repairs.

**12. Planning, Zoning, Construction or Maintenance.**

We do not cover loss consisting of, caused by, contributed to, aggravated by or resulting from inadequate or defective planning, zoning, development, surveying, siting, design, specifications, workmanship, construction, grading, compaction, maintenance, repairs, or materials, whether used in construction, remodeling, maintenance or repair of part or all of any property (including land, structures or any improvements) whether on or off the insured location.
